JUDGE COURT OF APPEALS.

We are authorized to announce **ION. J. W. HENSON**, of Henderson, a candidate for Judge of the Court of Appeals from the Second Appellate District, subject to the action of the Democratic party.

We are authorized to announce **Judge WARNER E. SETTLE**, of Bowling Green, a candidate for re-election for Judge of the Court of Appeals, from the Second Appellate District, subject to the action of the Democratic party.

What about that insignificant little American army now, William?

We do not want the German's land, Nor gold if this war ceases; We only human rights demand—Lord, give us peace, not pieces!

A northern preacher says that all who die fighting the Kaiser are bound to go to Heaven. Perhaps he figure they have been through hell already.

Suits in Vienna cost \$200 apiece. Whenever it becomes that way here we are going to begin observing suitless day without even waiting for instruction from Mr. Hoover.

The Germans claim that their dead heroes rise from their graves and lead their troops in battle, a la Frederick Barbarossa. This may be true in the light of reports which say Hindenburg is taking an active part in the big battle now in progress. He has been dead in America, for two weeks.

There are 213 illiterates among those who have registered in the selective draft in Ohio county. This is a deplorable condition when we take into consideration the fact that these are all young men who should have enjoyed the advantages of our excellent public schools. If any one should take in hand one of these illiterates to teach, each selecting his pupil, all would soon be reading and illiteracy would disappear. Besides this would be a patriotic act worthy of any citizen.

It is folly to prophesy in a time like this but we cannot help predicting that the next few months will be the most momentous in the world's history. The Germans, determined to force a decision, will put their full force into tremendous drives this summer. But these will fail and the Autumn will find them in a worse condition, than ever, doubtless in places pushed back into their own territory with the ever increasing American army hot on their trail. This is just a little of our own war-prophecy but we are going to wait and see how it materializes.

The Hartford Republican most certainly is mistaken if it is under the impression that we think it disapproves the work of the Red Cross. We only disagreed with it in one instance. But, the Republican is also mistaken—badly—when it makes the assertion that "this criticism comes with poor grace from a newspaper that has given such trifling support to the cause it now assumes

to champion." The Herald has for 43 years championed the cause of that which stands for the betterment of humanity, in every way, and our files will show whether or not we have stood behind the Red Cross (editorially) and the cancelled checks of the members of the firm will prove whether or not we have backed the organization up financially. The Republican should be sure of its ground and confine itself to facts. Otherwise, it might make an assertion that it could not prove.

MRS. AMANDA DANIEL DIES.

Mrs. Amanda Daniel, wife of J. W. Daniel, of near Rosine, died Saturday morning at 10 o'clock of heart trouble. She had been occasionally afflicted with this malady for some time but grew worse last week, passing away Saturday.

Mrs. Daniel was born near Narrows fifty-eight years ago and lived in that section all of her life till a few months back when her family moved to a farm near Rosine. She is survived by a husband and four children—three girls and one boy. Also three brothers, Mr. N. G. Boswell, of Horse Branch; T. S. Boswell, of Narrows; and one sister, Mrs. E. P. Foreman, also of Narrows. Before her marriage Mrs. Daniel was Miss Amanda Boswell. She was for many years an active worker in the Methodist church.

Funeral services were conducted Monday at Mt. Vernon by Rev. Wallace and she was laid to rest in Midkiff burying ground.

FELL FROM THE ROOF.

Mr. Bill Underhill, of Horse Branch, suffered a serious injury last week when he fell from the roof of a house which he was painting. He was working on the house of Mr. Redmon Ferry and had finished his other work and was painting the roof. In some way the ladder slipped and he fell to the ground, a distance of some twenty or thirty feet. The extent of his injuries are not known, though it is said he was seriously hurt internally as well as being badly bruised. The attending physician reports his condition as precarious but hopeful.

ORDER NOT SUBMITTED TO THE SHERIFF.

No vote will be taken on the road tax at the primary, August 3rd. The order was made before the Fiscal court and passed upon to that effect, but was never submitted to the Sheriff for advertisement. The statement that it was an oversight on the part of Sheriff Bratcher was an error as he had no instructions to advertise the order and none was submitted to him, and of course he could not act on his own initiative. Thus the fact that the order was not advertised was no fault on the part of Mr. Bratcher so he says.

YOUNG SOLDIER DIES.

Charlie King, son of J. B. King, who lives in the vicinity of Sunnydale, died at Greenleaf, Ga., last week, of spinal meningitis. He was one of the boys who left here May 25th, for Camp Taylor and was soon transferred to Ft. Oglethorpe, Ga., where he died. He was in the medical corps, having been rejected for regular duty and transferred to limited service. He is survived by a father, mother and several brothers and sister, who have the sympathy of all our readers. As soon as his father received notice of his sons illness he left immediately for camp arrived too late to see his son alive. The body was brought home and buried at Sunnydale, Friday at 2 o'clock.

AUTO TURNS OVER.

An automobile belonging to Dr. Baird, the veterinarian, and driven by him, turned turtle in a ditch on the new-cut road, near Sheffield, two miles and a half west of town. Dr. Baird escaped injury though Claude King, a young man who was riding in the car, was slightly bruised. The car was damaged considerably.

Primary Saturday, August 3rd.

VOTE FOR JUDGE HENSON.

The Primary coming August 3 is near and while every one is interested in the issues brought about by the war, still all should take a part in this election. We have a neighbor, Judge Henson, who is a candidate for Judge of the Court of Appeals.

His opponent, Judge Settle, practically admits he is not eligible to re-election on account of having removed from the district. Judge Settle tries to excuse himself in not observing the law to retain his residence because he says some others have violated it. That seems to us quite a lame excuse for a Judge to make. A Judge should observe the law if he expects others to do so.

J. I. GOODMAN'S SON MADE A SERGEANT.

Arthur Ford Goodman, is advancing rapidly in military training. He entered the service May 25th from Louisville and was sent to Ft. Riley, Kansas, and assigned to cavalry, says the Owensboro Messenger. He is now with Troop B, 311th cavalry and has recently been made sergeant of his company. Young

If nominated, he may lose in a contest to a Republican. Besides this, Judge Settle has been in office for the past twenty-six years and has drawn in salary about \$110,000.00.

Let everybody come out and vote for our neighbor, Judge Henson, who is one of the best judges in the state. He ought to carry this county by an overwhelming majority.

The Democratic nominees in this county last year were refused a place on the ballot by reason of a law not as exacting in its terms as the law which governs Judge Settle in requiring him to continue to reside in the district. Democrats, do not take any chance on this question, but vote for Judge Henson.—Advertisement.

Goodman is the son of Mr. J. I. Goodman, foreman of The Herald, and before going into camp was linotype operator on the Courier-Journal.
